of the late elections, it will not take them long to discover that they have made a supreme mistake."

The Providence (R. I.) Journal, edited by a radical United States senator, Mr. Anthony, in an able editorial, says:

"Very few of our exchanges express anything but disapproval of the impeachment movement. Many pronounce it wholly uncalled for, and all, or nearly all, condemn it as inexpedient. It is worthy of notice, however, that the discussion of the subject by the press, as well as the initiatory proceedings in the house of representatives, appears to take for granted the idea that the great provisions of impeachment in our institutions is, after all, little else than a mere political instrument—a contrivance for getting rid of an officer, especially a president, with whom congress may have the energial to discover that they are now constantly receiving NKW coods, is assuming shape, involving immense gran of land. The Spanish government, it is understant to discover that they are now constantly receiving NKW goods, and having bought such along the received very kindly overtures for the secretived very kindly overtures from the secretive very kindly overtures. chances not to like the occupant of the presidential chair, may at any time appoint a committee, and put it on the scent of the administration, or of the personal doings of the president, till it finds something that looks like malfea. Steamer Eagle, from Havana 19th, brings late Mexican news, and states sance or misdemeanor, and then, if the Maximilian on his way to the city.

sance or misdemeanor, and then, if the senate is willing to co-operate, proceed.

The revolutionists under Gracia were enate is willing to co-operate, proceed tr John Zeut, E.C.; office, N. Front O. Gas to remove him from office and put and defeated near Leon. The famous guerother man in the other in all this that corresponds to the solemnity which should invest the proceedings of the grand inquest of the nation, as the house of representatives becomes when it as of representatives becomes when it accuses a public officer of high crimes and dependent on views of party expediency, to be urged forward by party leaders and to be determined in caucuses, like other matters of party tactics.

be prostituted and perverted when eman opponent whom it despises and hates.

Johnson at the present juncture.
"In fine, then, if Andrew Johnson is S. M. Thomas, Tyler. jamil if principle, and in order that the might address the house in an elaborate finan-and majesty of the popular will may be gial speech. He will state that in his ever after respected by the servants of the people, the discipline cannot be administered too soon. But let the day be far removed when the republican party shall undertake so dirty a work as to depose a president who will not confer contraction, but of a gradual withdrawal upon them his patronage, simply to put in his place another man who will. The that the veto of contraction of four milrecent elections have demonstrated that it is not offices the people are after, but been virtually negatived by the corres-

nounces impenchment in the following business-like way Nearly every republican newspaper prominence and influence-even in- be put upon a stable

oped to satisfy the public mind that the president should be impeached. In the are peculiarly sensitive to changes. In the third place, the extreme measure should not be entered upon in a spirit of partisanship. Intentional crime should se so apparent that honest citizens of all parties would approve the proceeding. In the fourth place, it should not be un-dertaken except under the pressure of extreme national danger from executive

rimes and usurpations. "The exigencies do not exut to warrant the impeachment measure. The people do not approve it. We trust there is the good republican judgment in congress to defeat this bot headed and ill advised attempt. There is other and im-portant business demanding the prompattention of our national legislature, and that should now occupy its time and best efforts."

The Newburgh (New York) Times, a flendish radical paper, utters eight or aine infamous falsehoods upon which to

"The dominant party in congress have Why Grover & Baker's Machine is Best andoubtedly the authority and power to burt him from his position on any one or all of these charges. But the country is not in favor of an impeachment. The people do not believe that the game is worth the powder. They do not case to make a political martyr of Mr. Johnson. They are averse to further turmoil and excitement when they can accomplish their alms through peaceable delay. An impeachment trial would doubtless drag Tuesday, November 27, 1866, along for months, and keep the country and continue until the ist day of January, 1867.

We shall offer our Goods at such low prices matter, and should be resorted to only as will prance their sale.

The Oswego (N. Y.) Advertiser and Times, after making an undignified and
